S6 House Captain Rebecca Henderson

In her role as House Captain Rebecca has taken on a number of responsibilities.

House Captains take a leading role in House Assemblies. Last term the Prefect Team spoke to each of the five houses about commitment. They received positive feedback on the assembly delivery and the theme through a Google Form sent out to pupils. This will help the team to build on their delivery this term. This term's House Assembly will be taking place on Tuesday 16th December and will focus on Kindness and Respect in the school and local community.

The second House Council meeting has taken place with pupils and focused on gaining feedback on behaviour and questioning in classes how Thurso High School celebrates achievements and successes and whether pupils know who to approach in school to discuss any worries or concerns they may have.

The S6 Committees have been working on their different remits and making good progress. The Social Committee successfully organised the Hallowe'en Dance which was held the first week of this term. Approximately 120 pupils attended and positive feedback was given from some parents and from those who attended. For the first time, a school band played a set of songs for part of the dance. The Sustainability Committee are working towards a Green Flag award which will form part of the School Improvement Plan. The Fundraising Committee has recently organised events including a 'Guess the Teacher Baby Picture' and 'guess the number of sweets' in the jar as part of Children In Need. Finally, the Yearbook Committee is making progress with this year's version of the Yearbook.

In addition to House Assemblies and House Council roles, House Captains have been busy attending registration classes throughout the course of the year to speak to register sets about various events going on in school including upcoming House events, Fundraising events and School Clubs.
